AUSTRALIAN SECURITISATION 2026

24 - 25 NOVEMBER 2026 - HYATT REGENCY, SYDNEY

WELCOME

Dear ASF supporter,

The ASF Australian Securitisation Conference remains the **premier gathering for participants in Australia's securitisation market**. Its ongoing growth and success are driven by the valued support and engagement of our sponsor organisations.

Following the outstanding success of the 2025 conference, we are pleased to confirm that the **2026 conference will again be held at the Hyatt Regency Sydney on 24–25 November**. The event will bring together industry leaders to discuss the key domestic and global developments shaping securitisation markets. I warmly invite you to consider sponsoring and participating in what has become a **must-attend event**, attracting record attendance from both Australian and international market participants in recent years.

The Australian securitisation market has continued to expand strongly, with a steady pipeline of new issuers successfully bringing inaugural RMBS and ABS transactions to market. At the same time, the domestic investor base has deepened significantly as interest in structured credit has grown. These developments — along with the emergence of new asset classes — will feature prominently on the 2026 agenda. As always, the program will incorporate leading international investors and market professionals, alongside discussions on the impact of evolving global and local market initiatives.

The conference gala dinner remains one of the highlights of the event. To ensure a high-quality experience, capacity will be limited this year. It will again provide a wonderful opportunity for the industry to connect, strengthen relationships and celebrate the continued development of the market.

We will continue to evolve the conference program to deliver fresh perspectives while allowing ample time for networking with industry peers and colleagues.

Please do not hesitate to contact me directly if you would like to discuss the conference. Otherwise, our conference secretariat, **KangaNews**, will be delighted to assist you in exploring sponsorship and participation opportunities.

Best wishes,

Chris Dalton

CHIEF EXECUTIVE OFFICER
AUSTRALIAN SECURITISATION FORUM

WHY YOU SHOULD SPONSOR

Australian Securitisation 2026 provides a unique information forum and educational environment dedicated to the discussion of market trends, training and commercial intelligence.

REASONS TO SPONSOR:

- ◆ Promote your organisation and maintain a high profile among industry participants.
- ◆ Provide your team and clients with a powerful educational experience and demonstrate your leading role in the industry.
- ◆ Consolidate corporate relationships and expose your staff to key markets.
- ◆ Network with global and domestic professionals.
- ◆ Benefit significantly from exposure to a keenly interested, relevant and, above all, influential audience.

We would be delighted to meet with you to discuss opportunities or suggestions you may have for promoting your business. Early confirmation of your sponsorship of the conference will ensure an even higher level of exposure and will give you the best chance of securing participation in the panel sessions of your choice (if such participation is part of your sponsorship package).

An extensive promotional campaign including advertisements in *KangaNews* and the *ASJ*, email broadcasts and web exposure will be implemented in the lead up to Australian Securitisation 2026. The opportunity exists for your company to be identified as a key supporter of the event well in advance.

The sponsor will have full consultation rights on the programme and entertainment inclusions, though the ASF retains discretion over the overall format, costs and sponsor-related content.

WELCOME RECEPTION HOST: At the end of formal conference proceedings on Tuesday, 24 November drinks and canapés will be served in the exhibition area for a maximum of 1.5 hours. An excellent opportunity for the sponsor to access a wide and captive audience.

CLOSING RECEPTION HOST: At the end of formal conference proceedings on Wednesday, 25 November drinks and canapés will be served in the exhibition area for a maximum of 1.5 hours. An excellent opportunity for the sponsor to access a wide and captive audience.

AFTER PARTY HOST: The after party will be held after the conference dinner on 25 November. It has become an institution at the conference, as the final event to round off the programme. The after party offers an informal opportunity for delegates to relax and unwind after the conference. The location is open to discussion. Further information on the structure for the event will be shared with interested sponsors.

LANYARD SPONSOR: On registration, each delegate is handed a lanyard which holds their name badge. To gain entry to any event areas, delegates are obliged to wear their lanyards. This therefore represents a superb branding opportunity for the sponsor as their company's logo will be visible at all times.

DINNER TABLE BOOKING: Due to capacity constraints, there will be a cap on dinner tables by institution for 2026. The Dinner sponsor will be allowed to book a maximum of 4 tables, Platinum sponsors 3 tables, Gold and silver sponsors 2 tables and all other sponsors 1 table. Additional tables will be made available to nonsponsors from 1st September 2026 and are subject to availability.

MEETING ROOM BOOKING: Confirmed sponsors will be given priority on booking meeting rooms for the 2026 event. Only event sponsors will have the option to book meeting room up until the 31st August 2026, at which stage they will be made available to non-sponsoring ASF members.
